Key interest areas

Key interest areas (or program tracks) are general headings into which sessions and presentations are organised.
They are intended as a guide only. Most sessions at AIEC, including presentations and e-posters, will cover more than one interest area and may be relevant to more than one sector. Each KIA will appeal to a group of people (target audience) who share common interests, sometimes based on which education sector they work in or what type of role they have within their organisation.
Find out more about KIAs at https://aiec.idp.com/key-interest-areas

- Admissions and compliance (A&C)
- Business development and strategy (BD&S)
- English language (EL)
- Employability (EMP)
- Higher education (HE)
- Learning abroad (LA)
- Marketing (MKT)
- Pathways (PATH)
- Professional development (PD)
- Schools (SCH)
- Scholarships and fellowships (S&F)
