NSWPF vision: A safe and secure NSW for international students

NSW Police Safety & Wellbeing of International Students Strategy 2017-2020

What does NSWPF want to achieve?

- Reduce crimes against international students in NSW
- Improve information provision (crime prevention, bush, beach & road safety, scam alerts)
- Encourage reporting
- Build partnerships with international student communities
- Strengthen awareness, knowledge and capabilities of operational police to respond

Delivering the NSWPF Safety & Wellbeing of International Student Strategy

UNSW students work with police to develop safety app

UNSW students recently teamed up with NSW Police to develop better ways to convey safety messages to international students, and in the process gained valuable workplace experience.
